I, Christie Hugi, being first duly sworn on oath, depose
and say:

1. I was born Christie Downs.

2. On May 19, 1983, my sister Cheryl, my brother Daniel
and I were shot by our mother Elizabeth Diane Downs. Cheryl
died. Daniel and I survived but we sustained permanent
injuries.

3. I testified at my mother's trial. I testified that
she shot Cheryl, Daniel and me. I was nine years old when I
testified.

4. No one ever told me what to say when I testified. I
told the truth.

5. Several months ago, I received a telephone call, when
my parents weren't home, from a person in Nevada who called
herself Angel. I have since learned that she tape-recorded our
phone call. I did not know that she was recording our call.

6. I told Angel several times that I knew my mother had shot us. She kept asking me if I testified the way people told me to. I told her several times that that wasn't the case. She kept pushing me so I finally agreed with her so that she would drop the subject.
